

## Dexter Burnam

Office of the Under Secretary of Defense for Personnel and Readiness  
Defense Human Resources Activity  
Defense Civilian Personnel Advisory Service

Mr. Dexter Burnam is the Director of Enterprise Solutions and Integration (ESI). He serves as the functional portfolio manager and system integrator for the Department of Defense's Civilian Human Resources Management (CHRM) IT systems.

Mr. Burnam also provides enterprise strategic solutions that support more than 900,000 defense employees worldwide through business process re-engineering, process improvement, and system integration.

Mr. Burnam's career spans over 28 years, which includes Military and Federal Civil Service respectively. Prior to serving as the Director of ESI, he served as Chief of Information Systems supporting the Office of the Secretary of Defense (OSD) for Personnel and Readiness, Transition to Veterans Program Office. He was also a Senior Consultant and IT Program Manager for Abacus Technologies supporting the Defense Security Service's Office of the Chief Information Office, and Senior Business Systems Analyst for Science Applications International Corporation (SAIC) supporting OSD's Business Transformation Agency.

Mr. Burnam retired from the Army with 21 years of honorable service. He received the Office of the Secretary of Defense Exceptional Civilian Service Award, and earned a Master of Project Management, and a Master of Information Systems Management.
