

PROGRAM APPLICATION DUE DATE

Due to COVID-19 impacts, DCPAS leadership “paused” ELDP Cohort 35 for the initial planned execution in FY21/22. The cohort is now scheduled to begin September 2022. Applicants previously selected for Cohort 35 are guaranteed a seat. **Therefore, a full Call for Nominations is not required for Cohort 35 (September 2022-June 2023).** Instead, Service Component training representatives will fill any empty seats (not to exceed their allocation) that may come vacant due to drops from the Cohort 35 roster. Defense Agencies and DoD Field Activities are encouraged to submit no more than one (1) applicant to DCPAS by February 15, 2022. An order of merit list will be established by a Selection Board and applicants will be considered in the event DCPAS must fill Fourth Estate vacancies due to drops in the current roster.

All applications must be vetted via internal process managed by each Component. Components (Army, Air Force, Navy, and Intelligence Agencies) must submit qualified applications to DCPAS Talent Development Directorate by: **March 3, 2022 for any vacated seats from the Cohort 35 applicant list.**

Submit vetted applications to the DCPAS Talent Development Directorate via email at: dodhra.mc-alex.dcpas.mbx.hrspas-eldp@mail.mil

Once all applicants are submitted and approved, DCPAS will work with Service Component and Agency Representatives to complete and submit a Support Agreement followed by funding documentation (Military Interdepartmental Purchase Request) for tuition. Applications are considered final upon receipt of the \$9K tuition. The funding document or other inter-departmental funding documentation must list the full name(s) of the approved applicant(s) and also be e-mailed to: dodhra.mc-alex.dcpas.mbx.hrspas-eldp@mail.mil
