

Flexible Spending Account Year End Claims Deadline

-Don't wait! If you had a Flexible Spending Account (FSA) in 2022, don't forget that you need to submit your 2022 incurred FSA claims no later than the 11:59 p.m., **April 30, 2023** deadline. If you are enrolled in a 2023 account, only \$570 of your Health Care FSA balance will carry over into 2023. Any amount greater than \$570 will be forfeited.

-All Dependent Care FSA (DCFSA) claims from the 2022 benefit period must be submitted for reimbursement no later than the **April 30, 2023** deadline. Any remaining DCFSA funds will be forfeited.

-There are many medical procedures and products that may qualify as eligible expenses that you may have overlooked. Be sure to review the eligible expenses list by visiting the link below. Submit your claims now, before it is too late!
